

Rules and Regulations Governing Use of ECE 270 Lab Facilities (Room EE 065)

- 1. Only students who are officially enrolled in ECE 270 are authorized to use the lab facilities.**
2. The lab and equipment contained in lab may only be used for activities related to ECE 270.
- 3. No food, drink, smoking, vaping** or consumption of any other substances is permitted in lab **ever**. Liquids must be promptly placed on the sink at the back of EE 69 (next door).
- 4. No equipment may be removed from lab or rearranged within the lab.**
- 5. Students using the lab are responsible for keeping it neat, clean, and orderly.**
6. Students using the lab are responsible for promptly reporting equipment problems.
7. Writing on or otherwise defacing the lab furnishings is prohibited.
8. Sitting on anything other than the chairs provided is prohibited, and placing feet on anything other than the floor is prohibited.
9. Locking of computers (i.e., for the sake of depriving other students of their use) is prohibited.

Any violation of these rules and regulations will result in **zero scores for labs** and in **loss of access** to this facility outside of scheduled lab periods.
